

Why choose UpTop?

Is your 9-5 job keeping you really happy? Do you really get a chance to keep yourself abreast of what is happening around you? Are you updated about the technology and advancements? Are you industry-relevant? If these questions have stirred a debate in your head, you are at the right place. UpTop is the answer to all these questions.

Who are we?

An ed-tech company, we provide executive industry-relevant education that are designed and delivered by IIM's latest technology. We exist with a vision to construct careers of tomorrow and make learning affordable for executives.

Why choose us?

Industry-driven, industry-relevant!

We look beyond the norms and bring courses that can solve the industry problems, empower professionals with the changes and make them equipped to take a career jump. Our jury consists of industry's premier leaders who curate courses and its material for the students. Each course has been designed keeping in mind the real life challenges and have all the latest advancements covered.

Join the IIM league

With UpTop's exclusive partnership, you get to study in your dream college – IIM. It lets you live the experience you have always wanted to. For whatever reasons, if you weren't able to join the league earlier, now is your chance. Get mentored by IIM professors and study to get a degree from IIM. You also get a chance to live the campus life of IIM and revisit memories along with getting to interact face-to-face with the mentors.

Learn and Earn

You can get the best of both worlds! You can earn and learn both. UpTop lets you study at your convenience and offers the privilege of not leaving your job. No matter what peak of career you are at, you can always study and not worry about how your career will get affected because with this, it is only meant to grow. This is perfectly crafted ensuring the timelines and challenges that executives have to face.

Placement assistance

We don't just leave you hanging in vain once the course is done! We're an end-to-end education provider who loves to walk the extra mile and see its students get success. We provide a 100% placement assistance to all our students and help them get a jump in their career. We also guide our students as to what career is best suited for them and as per scope.
