HIGHLIGHT'S

- ✓ Forward planning
- ✓ Details Oriented
- ✓ Time Management
- ✓ Implementing plans
- ✓ Proficient communicator
- ✓ Project planning & development
- ✓ Scheduling/Tracking
- ✓ MIS Reporting & Documentation
- ✓ Resource Management
- ✓ Client Management
- ✓ Software Learning

PERSONAL STATEMENT

"As a civil engineer, my overarching ambition is to harness my expertise and capabilities to carve out a thriving professional trajectory. I actively pursue roles that not only pose challenges but also offer avenues for continuous career progression, facilitating the acquisition of novel skills and knowledge. I perceive every project as an exclusive platform for immersive, hands-on learning, wherein I endeavor to deliver substantial value. My ultimate aspiration is to synergistically fuel the growth and objectives of my organization while concurrently nurturing my personal career advancement."

PROFESSIONAL EXPERIENCE

CIVIL PROJECT OFFICER, Ambuja Cement Foundation, Agra, Uttar Pradesh

Sep. 2022 – Present

- Conducted a material/resource shortfall analysis to ensure the timely availability of resources.
- Participated in watershed development projects, overseeing the construction of various structures.
- Provided insights on natural resource management and promoted livelihood activities.
- Tracked and monitored Schedule Performance Index (SPI) and cost project progress gaps.
- Monitored monthly plans, look-ahead schedules, and key performance indicators (KPIs) for project alignment.
- Assisted in extensions of time and claims, adhering to contract norms and documentation standards.
- Supported budgeting and forecasting activities for project finances.
- Developed and updated detailed construction schedules using Primavera P3.
- Prepared weekly and monthly progress reports, Gantt charts, and progress 'S' curves.

Construction Manager, Vishal Infratech Hapur, Uttar Pradesh

Jun. 2019 – Aug. 2022

- Implemented the project execution plan and project schedule.
- Conducted daily monitoring of physical progress on site and analyzed shortfalls, preparing catch-up plans as needed.
- Reviewed the original program baseline and compared plan sets for consistency.
- Prepared cash inflow and outflow projections for the project.
- Assisted in the preparation of Bills of Quantities (BOQs), including mapping, data compilation, and zoning analysis.
- Contributed to the general plan, subdivision, variances, and use permit documentation.

PROJECT'S HIGHLIGHTS

Ambuja Cement Foundation:- Current Project

Project 1: HOLISTIC RURAL DEVELOPMENT PROJECT, AGRA INDIA.

Client: -HDFC BANK

Location: -AGRA, INDIA

Project Cost: -9 crore

Project 2: -Varanasi, Uttar Pradesh

Project cost: - 9 crore

Client: - HDFC BANK

VISHAL INFRA TECH

Project 1: AIIMS HOSPITAL JAMMU, INDIA.

AHLUWALIA CONTRACTS INDIA LTD

Client: -. CPWD

Location: - JAMMU, INDIA

Project Cost: - 1125 crore

Project 2: - Clint NBCC

Location: - R K PURAM DELHI

PARESH CONSTRUCTIONS & FOUNDATION PVT LTD

Project 1:- BHEL

Client:- NTPC

Location:- DADRI, U.P, INDIA

Project Cost:- 560 Crore

SEEMA CONSTRUCTION

PROJECT:- PWD

Location :- Kithore to Mawana road reneval

VISHAL INFRA TECH

Project: - Ntpc Dadri

clients: - Thermax company solar project

project cost:- 140 crore

Senior civil engineer, Paresh Construction Foundations Pvt. Ltd Mumbai, Maharashtra, India

Sep. 2018 – May. 2019

- Constructed and maintained monthly MIS reports, providing project updates and fortnightly reports on construction, procurement, and engineering activities.
- Designed and analyzed pile foundations considering soil conditions, structural loads, and safety standards.
- Managed bill reconciliation and procurement processes, ensuring accuracy in steel quantities as per the Bill of Quantities.
- Supervised drilling of pile boreholes, recycling bentonite, and installation of reinforcement cages, ensuring adherence to project specifications.
- Assisted in preparing and maintaining documentation for project extensions of time and claims.
- Reviewed drawings, specifications, laboratory test results, and inspection plans to ensure compliance with project requirements.

SITE Engineer, Seema Construction Company Ghaziabad, Uttar Pradesh, India

Apr 2017-June 2018

- Prepared the existing base, and cured layers, and performed rolling for road construction projects.
- Operated and conducted preventative maintenance on various equipment used in road construction.
- Executed concrete paving finishing work, including joint sawing and sandblasting operations.
- Assisted in planning highway maintenance and improvement projects, contributing to feasibility studies, and proposing changes for project enhancement.
- Monitored traffic control measures and performed general labor duties such as paving and patching.
- Demonstrated knowledge of road construction equipment operation and conducted site inspections for compliance with environmental regulations, including forest conservation, grading and sediment control, landscaping, storm drainage, curb and gutter, and paving standards.

SITE Engineer, Vishal Infratech Hapur Uttar Pradesh, India

Jul 2016- mar 2017

- Inspection of switchyard construction. I oversaw the execution of all DC work, including stringing, VOC, and polarity tests, ensuring adherence to project specifications.

- Directed cable laying operations as per schedule, leading the development of electrical Bill of Quantities (BOQ) and material submittals for consultant approval.
- Verified bills and approved them based on site actual measurements, maintaining accurate project cost records.
- Prepared bar bending schedules (BBS) for reinforcement used at the site, facilitating efficient construction activities.
- Monitored overall project quality control and assurance activities, conducting inspections of incoming materials and witnessing raw material tests.
- Provided daily and weekly feedback on project, inspection, and test status, addressing quality issues and non-conformance as needed.
- Conducted inspections of IR and MCR construction, coordinating with site engineers for Material Management System (MMS) inspections, and overseeing switchyard construction activities.

EDUCATIONAL BACKGROUND

Indian Institute of Management Rohtak

Advance project management program,
Construction management (2023-2024)

Monad university

M.tech, structure analysis (2016-2018) Grade 70%

Monad university

B.tech Civil engineering (2012-2016) Grade 70%

RSS Inter college

12th physics chemistry mathematics (2012)

10th physics chemistry mathematics (2010)

EXTRACURRICULAR ACTIVITIES

RAJEEV GHANDI COMPUTER SAKSHARTA MISSION

COURSE - DOAP

TECHNICAL SKILLS

AutoCAD 2D & 3D

M S Project (MSP)

Primavera P6 (Project Planning & Management)

Microsoft office & MS Word, MS Excel, Power point

Survey instrument used

Total stations : GEOMAX & LEICA

Leveling instrument: AUTO Level

Declaration:

I hereby declare that the above information is true and complete to the best of my Knowledge.
