

HELLO THERE!

Hi, I am Kush. A free thinker who loves design, illustration, and photography and is ready for every challenge you have. Design started off as a hobby. As a child, I loved drawing. That along with an aptitude for problem-solving and many other things I picked up growing up, paved my way into designing.

SKILLS

Branding	<div style="width: 80%; background-color: black; height: 10px;"></div>
Strategy	<div style="width: 75%; background-color: black; height: 10px;"></div>
