To Whom It May Concern,

I am writing to express my interest in contributing my skills and expertise to a dynamic organization that values innovation, strategic leadership, and excellence. With over 7 years of experience in the healthcare sector, specializing in denial management, healthcare coding, and AI-powered data analytics, I am confident in my ability to bring meaningful impact to your team.

Throughout my career, I have successfully led initiatives that improved operational efficiencies, reduced errors in coding, and increased revenue through advanced denial management techniques. My proficiency in healthcare coding systems such as IPDRG, ICD-10CM, CPT, and ICD-10 PCS, coupled with my ability to apply AI-based solutions, has enabled me to drive results and achieve organizational goals.

At Primera Medical Technologies, I have had the opportunity to lead key projects, including DRG validation and HCC Overpayment analysis, where I ensured compliance and reduced discrepancies. I am particularly passionate about utilizing technology, specifically AI, to streamline operations and provide data-driven insights that lead to more informed decision making.

I am excited about the opportunity to bring my expertise in healthcare, data analytics, and leadership to your

organization. I look forward to the possibility of discussing how my background aligns with your company's objectives and how I can contribute to your continued success.

Thank you for considering my application. I am eager to explore the potential of contributing to your team and am available for an interview at your earliest convenience.

Sincerely,

Dr. A. Pavan Kumar

Curriculum Vitae

Professional Summary:

An accomplished healthcare executive with 7+ years of experience leading high-impact projects in U.S. healthcare, specializing in denial management, AI-powered data analytics, and healthcare coding. Proven track record of implementing innovative solutions that enhance operational efficiency and drive revenue growth. Adept at leading cross-functional teams, influencing key stakeholders, and delivering strategic insights that shape industry best practices. Recognized for excellence in leadership, operational optimization, and the successful application of AI in healthcare systems.

Education:

- M.D.S. - Kamineni Institute of Dental Sciences, Narketpally, 2016
- B.D.S. - Govt. Dental College and Hospital, Hyderabad, 2010

Professional Experience:

Assistant Team Leader, Denial Management

Primera Medical Technologies, US Healthcare

October 2016 - Present

- Spearheaded a cross-functional team responsible for managing denial processes, leading to a significant reduction in denied claims and increased revenue recovery.
- Integrated AI-based analytics to enhance denial prediction and streamline processes, improving operational efficiency.

- Specialized in advanced coding methodologies, including IPDRG, ICD-10CM, CPT, and ICD-10 PCS, ensuring compliance and accuracy across all coding projects.
- Managed DRG validation and appeals processes, leading to successful resolution of high-complexity cases and reducing appeal resolution time.
- Led the HCC Overpayment analysis project, ensuring regulatory compliance and minimizing overpayment discrepancies.
- Achieved an outstanding score on the AHIMA Certified Coding Specialist exam, reflecting a deep understanding of healthcare coding and compliance.
- Recipient of R and R Gem Awards in 2019, 2022, 2023, and 2024 for outstanding performance and leadership.

Key Skills:

- Healthcare Coding & Compliance: Expertise in ICD-10CM, CPT, ICD-10 PCS, IPDRG, and HCC coding.
- AI & Data Analytics in Healthcare: Advanced proficiency in leveraging AI to optimize denial management and predictive analytics.
- Leadership & Team Management: Proven leadership in managing high-performance teams to deliver operational excellence.
- Project Management: Expertise in leading large-scale healthcare projects with a focus on operational efficiency, regulatory compliance, and revenue recovery.
- Stakeholder Engagement: Strong ability to communicate complex information and collaborate with diverse teams to achieve strategic goals.
- Technical Expertise: Proficient in healthcare systems, regulatory frameworks, and AI-driven tools.

Certifications & Achievements:

- AHIMA Certified Coding Specialist (CCS)
- Certified Millman Care Guidelines Specialist

- Prompt Engineering Certification
- R and R Gem Awards - Q4 2019, 2022, 2023, and 2024
- Business Analytics Certification - LinkedIn Learning

Declaration:

I hereby declare that all the information provided is accurate to the best of my knowledge and reflects my sincere commitment to excellence and professional development.
