Experience

08/2010 -

Multiple Roles

11/2011

Tata Consultancy Services

Under Various Projects (within the company):

(i) Tester: for a data warehousing software.

(ii) Project Management Officer (PMO), dealing with documentation, resource management, maintaining records and data analysis.

(iii) Software Developer for e-Waste Management, (Government of Singapore as the client).

Our team won the best project award that quarter and all the team members were rewarded with a trip to Singapore.

01/2012 -

Project Coordinator

01/2017

Ms Accenture Pvt. Ltd

Posted as an Accenture representative for whole of Sikkim- for all the works including client visits, requirement gathering, documentation, UI/UX design, testing, training the office staff, workshops, approvals and maintaining regular reports, implementation, operations and maintenance with support. More than 20,000 students of Sikkim have benefitted from this service from the ease of their homes. This is a great achievement for a state with not much technical know-how. It was a proud moment for all the team members.

12/2017 -

Business Development Executive

07/2018

SIBIN GROUP

SIBIN Group is a start-up in Sikkim with its verticals in Tourism, Information Technology and Education and Training. As a Business development executive, I looked at various projects both for Government Clients, Private Clients and in-house projects.

Some of the projects under me are:

Government projects:

(i) ICT @SIMFED: making SIMFED (a semi-Government entity) fully and functionally IT enabled.

(ii) Smart city project: Namchi webportal, MyCity app, eTicket Kiosk are some projects for Smart City- Namchi.

In House Projects:

(i) PayGenie: Payment Gateway for state of Sikkim.

(ii) Clique City: a yellow page mobile application for Sikkim.

My job involved complete management of the projects under me- client visits, presentations, meetings, demonstrations, market research, sales, implementation, accounting and status reporting.

Education

06/2006 -

Sikkim Manipal Institute of Technology, Sikkim Manipal

07/2010

University

B.Tech (Computer Science Engineering)

7.7 CGPA
