## PROFESSIONAL SUMMARY

- High-caliber Chartered Accountant with over three years of articleship experience in streamlining financial processes, optimizing budgets, and ensuring compliance with regulatory standards.
- Proficient in tax planning, compliance, and advisory, reducing liabilities through effective strategies, adhering to local and international tax regulations.
- Capable of analyzing complex financial data to identify trends, measure performance, and provide actionable insights that drive strategic business decisions.
- Mastery in monitoring and optimizing cash flows to ensure sufficient liquidity, operational continuity, and financial stability for the organization.
- Adept at managing corporate financial activities, including capital structuring, and investment analysis, to maximize organizational value and efficiency.
- Well-versed in creating long-term financial strategies to achieve business growth, enhance profitability, and ensure sustainable operations.

## WORK EXPERIENCE

### Articleship

2020 – 2023

SPP & Co.

Coimbatore

- Spearheaded income tax filings for over 50 individuals, firms, trusts, and corporations, ensuring full compliance with the Income Tax Act and timely submissions, representing clients before income tax authorities in assessments and appeals.
- Supported the preparation of direct and indirect tax filings, including GST returns, TDS, and advance tax, ensuring compliance with tax laws and regulations, and providing recommendations for tax planning strategies.
- Performed statutory audits, internal audits, and stock audits for 10+ textile industries, spinning mills, and manufacturing units, ensuring compliance with accounting standards and auditing standards, and identifying process inefficiencies for risk mitigation.
- Facilitated with senior accountants to optimize financial reporting processes, implementing best practices in financial analysis, cost control, and financial forecasting for enhanced decision-making.
- Assisted in the preparation and review of 100+ balance sheets, profit & loss statements, and financial statements, ensuring accurate presentation in accordance with Indian GAAP (Generally Accepted Accounting Principles).
- Gained hands-on experience with accounting software like Tally ERP 9 and SAP FICO modules, optimizing general ledger management, accounts reconciliation, and financial data accuracy in a dynamic business environment.
