

# Darshan Italiya

## Personal Information

**Address:** Maria Louisen Steig 2e, 22299 Hamburg  
**Mobile:** +49 1590 6464863  
**Email:** [italiyadarshan90@gmail.com](mailto:italiyadarshan90@gmail.com)  
**LinkedIn:** <https://www.linkedin.com/in/darshan-italiya-13843616a>  
**Birth Date:** 01.06.1997

## Work experience and training

Dec. 2022 – June 2023 **Project Management Intern**  
ZF CV Systems Hanover GmbH, Hanover, Germany.

- Achieved adherence to project budgets and timelines through the implementation of cost-efficient project management strategies.
- Streamlined international collaboration, resulting in optimized production schedules and reduced delivery costs by improving coordination with overseas manufacturers.
- Enhanced project tracking and communication by monitoring KPI's, delivering accurate progress reports to stakeholders, and implementing process improvements that contributed to project efficiency and success.

May 2022 – June 2022 **Project Management Industry Training**  
Brainnest Consulting, Bremen, Germany.

- Successfully laid the foundation for project execution by applying structured kick-off processes, ensuring clear project scope and stakeholder alignment from the start.
- Delivered well-structured project planning by defining WBS, accurate estimations, and comprehensive time and budget management, contributing to improved project efficiency and risk mitigation.
- Proactively managed project risks by developing a risk matrix and identifying key risk factors, which allowed for effective risk management and minimized potential project disruptions.
- Established clear communication and engagement strategies, leading to improved stakeholder relationships and better alignment with project objectives throughout the project lifecycle.

June 2018 – Jan. 2020 **Technical Project Manager**  
Shakti Rubber Industries, India.

- Achieved improved production efficiency by successfully implementing Lean manufacturing and Kanban systems, reducing waste and optimizing workflow.
- Facilitated daily stand-up meetings, ensuring effective communication and collaboration within the development team, leading to early identification and resolution of impediments.
- Strengthened cross-functional collaboration by resolving issues and ensuring seamless communication between internal teams and external partners, leading to smoother project execution.
- Enhanced process tracking and continuous improvement by utilizing Scrum retrospectives and Burn-Down Charts, which contributed to better performance, timely delivery, and ongoing project optimization.

---

## Education

Mar. 2020 – Feb. 2024 **Master of Science in Mechanical Engineering**

Hochschule Kaiserslautern, Pirmasens, Germany.

- Major Field of Study: Advanced Mathematics, Material Science, Fracture Mechanics and Tribology, Research Management and Skill Processes
- Project: Design of an E-bike parts, assembly line and plant simulation

Aug. 2014 – May 2018 **Bachelor of Engineering in Mechanical**

Gujarat Technological University (GTU), Ahmedabad, India.

- Major Field of Study : Project Management, Industrial Engineering, Manufacturing Process, Machine Designing

---
