LinkedIn: [www.linkedin.com/in/swapnil-shrivastava-pmp](https://www.linkedin.com/in/swapnil-shrivastava-pmp)® - 14770821

---

Experienced Information & Communication Technology professional with 18+ years' experience in telecom turnkey projects, IT infrastructure equipment deployment, LTE mobile networks deployment & 5G/Cloud technology.

---

## SKILLS: -

Project/Program Management, Team/Resource Management, Team Development/Mentoring, Vendor Development/Mgmt., People Mgmt., Adaptability, Collaborative approach, Problem Solving, Good communication skills, Resilient, Change Mgmt.

## Exposures in Management & Technology –

- 1.Experience in Project/Program Mgmt. with PMO & Pre-Sales exposure with MS Project, Primavera, JIRA & Confluence tools.
- 2.Experience in Cloud FW Migration, Cyber Sec tools, 2G/3G/4G.
- 3.Experience in deployment of Routers, Switches, Firewalls. Knowledge of TCP/IP, subnetting, Data Communication etc.
- 4.Knowledge of Cloud Infrastructure: AWS Cloud Soln Arch Level.
- 5.Knowledge of 5G(SA/NSA), LTE, LTE A its architecture & call flow, EPC, SRVCC, MME, SGW, PGW, HSS, PCRF.
- 6.Knowledge of 3G Packet Core (GGSN/SGSN), RAN (RNC/Node-B).
- 7.Understanding of VM/Virtualization, Docker, Container Kubernetes, AWS, Ansible, Jenkins, Git Hub, Terraform.

## EXPERIENCE:

**Wipro Technologies, Gurugram/Bangalore, July '21-Till Date.**

**Technical Project/Program Mgr (Gurugram) , March 23-till date**

Lead Program Manager – Packet Core & IP / MPBN.

Day 2 Project Management, Change Management, ESXI/VMs, VIM, NFVI, ACI fabric/SDN, Orchestrator, Applications, Operating Systems & Software Upgrades/Updates, Migrations, Business Critical Services.

1. Business Critical Services of mobility nodes Packet Core and IP/PBN nodes associated with it like SGW, MME, router, switches & FXOS, ASA firewall deployed in network.
2. All Operating Systems, Applications & Software Version Update & Upgrades of CISCO nodes in Bharti (PACO & MPBN)
3. FNIs & Network Audits
4. Field Notice, LDOS, PSIRTS.
5. Migrations- OSS Migration (OSS Motadata Server Migration to OSS Matrix Server) in network and connectivity with Netcool.

**Solution Project Manager (Bangalore/WFH) Jan 22- Feb 23.**

Project A:- SDWAN/WAN EVO 2.0: Conducted site surveys, understood requirements with technical team. Ensured Change Request raised on Service Now with Risk & Impact analysis and get implemented after required approval for the date of change implementation. Completed FortiGate FW Migration in this project.

Project B:- Security tools transition to BAU team: - Server Deployment- Ensured Change Request raised and CR implemented for Production/DR/Lower Environment servers, involved in wrapping up of security tools project and its transition from project team to BAU team, arranged basic training & system access for the new WINDOWS/UNIX team developed for BAU.

Cyber Security Tools- Splunk, Tanium, RAPID-7, CrowdStrike.

Project C:- ZAYO Decommissioning Zayo Circuit decommission.

**Technical Project Manager (Bangalore/WFH) July21 -Dec 21.**

CISCO Project- Worked on 4G/LTE & 5G technologies. Involved in technical response to RFPs. Scrutinized Packet Core Engr Team.

**Adornova Technologies, Bangalore, Aug'20- June'21.**

**Director (Technical, Pre-Sales)**

Assisted sales process & response to RFIs/RFQs, prepared technical proposals/presentations, provided technical information on **Cloud solutions** based on **AWS/GCP/MS-Azure** to Sales team, prepared bid/contract/tender's SoC. Worked for telco cloud solutions. Handled Support & Finance Vertical.

**Ceragon Networks, Mumbai/Ahmedabad July'16 to Jul'20.**

Sr Project Mgr & MW Backhaul, NOC Head, Reliance Corporate Park (July'16 to Sept'17)

Gujrat: Handled **Jio, Bharti & ONGC** account for **Gujrat Circle** for telecom infrastructure deployment, responsible for **P&L of Circle/Circle Budget Owner &** responsible for productivity of circle team, partner governance and retention.

Mumbai: Worked as Pan India Network Operations Center Head at RCP Mumbai supported 16 circles/states' wireless back-haul deployment falls under category of interim microwave of circle project team, supported all deployments with hops integration with NMS servers with its QA acceptance.

## PREVIOUS EXPERIENCE: -

**|Nokia|Pune| Sept' 15 - July '16|Zonal Project Manager**

Clientele: Airtel 3G, LTE & Ceragon MW rollout of MH Circle.

**|Samsung|Pune| Apr' 14 – Sept' 15| Manager Deployment**

Clientele: Reliance Jio Infocomm Ltd, LTE 4G Deployment.

**ZTE| Deputy Manager & Packet Core Engineer| July'05 to Mar' 14|**

**Different states, India & Lagos.**

Clientele: - MTN Nigeria in Pre-Sales as Project Manager.BSNL Punjab 3G & Ericsson SWAP, RCOM 3G as PMO, Tata BHR-JKD as Circle MS Head, BSNL, SSTL, Uninor, Loop, Idea, Tata CDMA as Sr. Core Engr.Core network deployment of BSNL and above Pvt. Ltd client.

**Product Line- Forti Gate Cloud based Firewalls. CISCO: CISCO Servers, Router, Switches, Firewall, Packet Core Eqpt. ZTE, NOKIA, SAMSUNG, CERAGON Telecom & IT Infrastructure equipments.**

## Education-

**Masters in Engineering** (Spl: -Digital Communication), RGPV Bhopal.

**PG Dip in Mobile & Optical Technology**, Amity Institute of Telecom Technology & Management, AMITY Gautam Buddha Nagar, NOIDA.

**M.Sc.** (Electronics) UTD Rani Durgawati Viswa Vidyalaya, Jabalpur.

## Certificates: -

**2023 - Project Management Professional (PMP) from PMI.**

**2022 - Scrum Master, International Scrum Institute.**

**2021 - Cloud Computing Concepts, CompTIA.**
