- B.Com (Accountancy, Honours) | Magadh University, 2017 | Patna, Bihar, India

WORK HISTORY

Finance Data Analyst | BWCS Pvt. Ltd.

12/2024 – Present

- Oversee end-to-end financial operations, including budgeting, forecasting, and preparation of financial statements.
- Implement cost-reduction strategies to streamline processes and improve profitability.
- Ensure compliance with statutory requirements (GST, TDS, and ITR) and regulatory filings.
- Collaborate with senior management to design financial strategies aligned with business goals.
- Utilize data-driven insights to support strategic decision-making and operational efficiency.

Data Scientist & Analyst | Dataintelligence Pvt. Ltd. | 01/2022- 11/2024

- Developed predictive financial models using Machine Learning and Deep Learning to forecast revenue, optimize budgets, and mitigate risk.
- Conducted exploratory data analysis (EDA) on large-scale financial datasets to identify trends, anomalies, and cost-saving opportunities.
- Automated financial reporting and reconciliation processes by integrating AI-powered tools, reducing manual effort.
- Applied NLP to analyze earnings calls, investor sentiment, and regulatory filings, enhancing investment decision-making.
- Partnered with stakeholders to design data-driven financial strategies, translating complex analytics into actionable business insights.

Administrative Head | Shrivastwa & Associates

(Chartered Accountants) | 10/2020 - 12/2021

- Managed daily operations of the CA firm, including ITR filings (ITR-1 & ITR-4), GST returns, and TDS for salary and contractors.
- Coordinated client communications and ensured timely collection of financial data.
- Ensured compliance with all statutory and regulatory requirements.

Junior Accountant | KMK & Co. (Chartered Accountants)

| 05/2015 – 10/2018

- Maintained accounting records using Tally software and prepared statutory audit reports for government schemes. Conducted monthly bank reconciliations and supported financial reporting.
