PROFESSIONAL EXPERIENCE

DELOITTE CONSULTING INDIA PRIVATE LIMITED

Hyderabad, India

Finance Analyst for the Corporate Citizenship team

Jun'22 - Aug'23

- Solely responsible for managing the finance front for all seven locations of the company. Reviewed budgets, forecasts, objectives, timeline, target population and scope for projects pitched by NGOs in order to ensure alignment with corporate financial goals and CSR initiatives.
- Managed grant and fund allocation for CSR projects, tracked expenditures on a monthly basis via verification of documents and ensured compliance with statutory regulations.
- Conducted regular training to 5 non finance members of the team, to ensure transparency and continued efficiency in the finance process.
- Collaborated with internal teams - finance, accounts payable, security, communications, risk, third party risk management teams amongst others, to ensure controlled risk in process, accurate record and reconciliation of expenditures against budgets.
- Collaborated with stakeholders from NGOs on a monthly basis to keep track of project implementation and if required, problem solving.
- Spearheaded initiative to convert manual input of NGO project and budget details into application readable standardised worksheets where data could be auto-populated. This enabled swift online data updation and storage.
- Evaluated the success of the projects at year end via impact reports and financial analysis.

As part of CSR program management:

- For annual volunteering day known as Impact Day and two month campaign aimed towards employee contributions called DEGP,
 - Planned and executed CSR events, post reviewing project ideas to ensure alignment with corporate values and social impact goals.
 - Budgeted for activities and carried out necessary planning, approval and payment process.
 - Liaised with NGOs, security team, communications, risk team and vendors to ensure seamless event execution.
 - Organized employee engagement programs and supervised volunteers for various tasks, increasing participation and seamless implementation.

Finance Analyst for Welfare Trust of Deloitte

- Single handedly created and managed documentation, verification and payment process.
- Created SOP document and ensured compliance periodically.
- Budgeted and forecasted required financial inlay in order to meet estimated payout requirement of Trust.
- Reported to leadership regarding key highlights on a regular basis.

BSR & ASSOCIATES LLP (AFFILIATED WITH KPMG)

Hyderabad, India

Staff Accountant for the Audit department

Mar'19 - Feb'22

- Managed multiple statutory audits, group audits, tax audits, and other related engagements and ensured compliance with Ind AS, GAAP, IFRS, SOX testing for internal controls where applicable in Healthcare and Pharmacy, Industrial explosives, Manufacturing, and Telecommunication software companies.
- Audit in charge of statutory and group audit of a Software company for two years, including IndAS transition in year two.
- Audit in charge of a Seed manufacturing company and was the sole member of the team from planning procedures to substantive procedures.
- Identified risks, assessed mitigating controls, and provided strategic recommendations for process enhancement. Prepared detailed Audit, CARO, and ICOFR reports while maintaining highest standards of accuracy.
- Performed audit and analytical procedures for all financial components including high-risk areas such as revenue receivables, related parties, and journal entries.
- Partnered with client management to resolve complex audit challenges and drive process improvements. Enhanced financial control frameworks through systematic identification of improvement areas, strengthening compliance with company policies.
- Supervised junior team members in audit fieldwork, ensuring precise documentation and testing procedures.
