May 2007 – May 2021

Senior Maths and Science Faculty

Sri Gurudutta Techno School (Vizianagaram, Andhra Pradesh)

As a senior faculty of maths and science, I was responsible for designing and delivering lessons, evaluating student performance, and planning educational activities and events. I ensured an engaging classroom ambiance and conducted workshops to enhance the academic abilities of the students.

- Instructed students in academic subjects such as math, science, language arts, social studies, and history.
- Encouraged critical thinking skills and problem-solving strategies among students.
- Utilized technology-based learning tools to enhance classroom instruction.
- Participated in professional development workshops related to teaching methods or curriculum changes.
- Engaged students and boosted understanding of material using focused instructional strategies and hands-on activities.
- Assessed student performance through tests, quizzes, and other assessments.
- Supported English Language Learners by providing additional resources tailored towards their specific needs.
- Managed student behavior in classroom by establishing and enforcing rules and procedures.
- Monitored student behavior in classrooms, hallways, cafeteria, playgrounds.
- Enforced school rules and regulations in order to maintain an appropriate learning environment for all students.
- Collaborated with colleagues to plan lessons that integrate various subject areas into a cohesive unit of study.
- Provided individualized instruction to meet the needs of all students.
