Adapt By Learning

# What we do

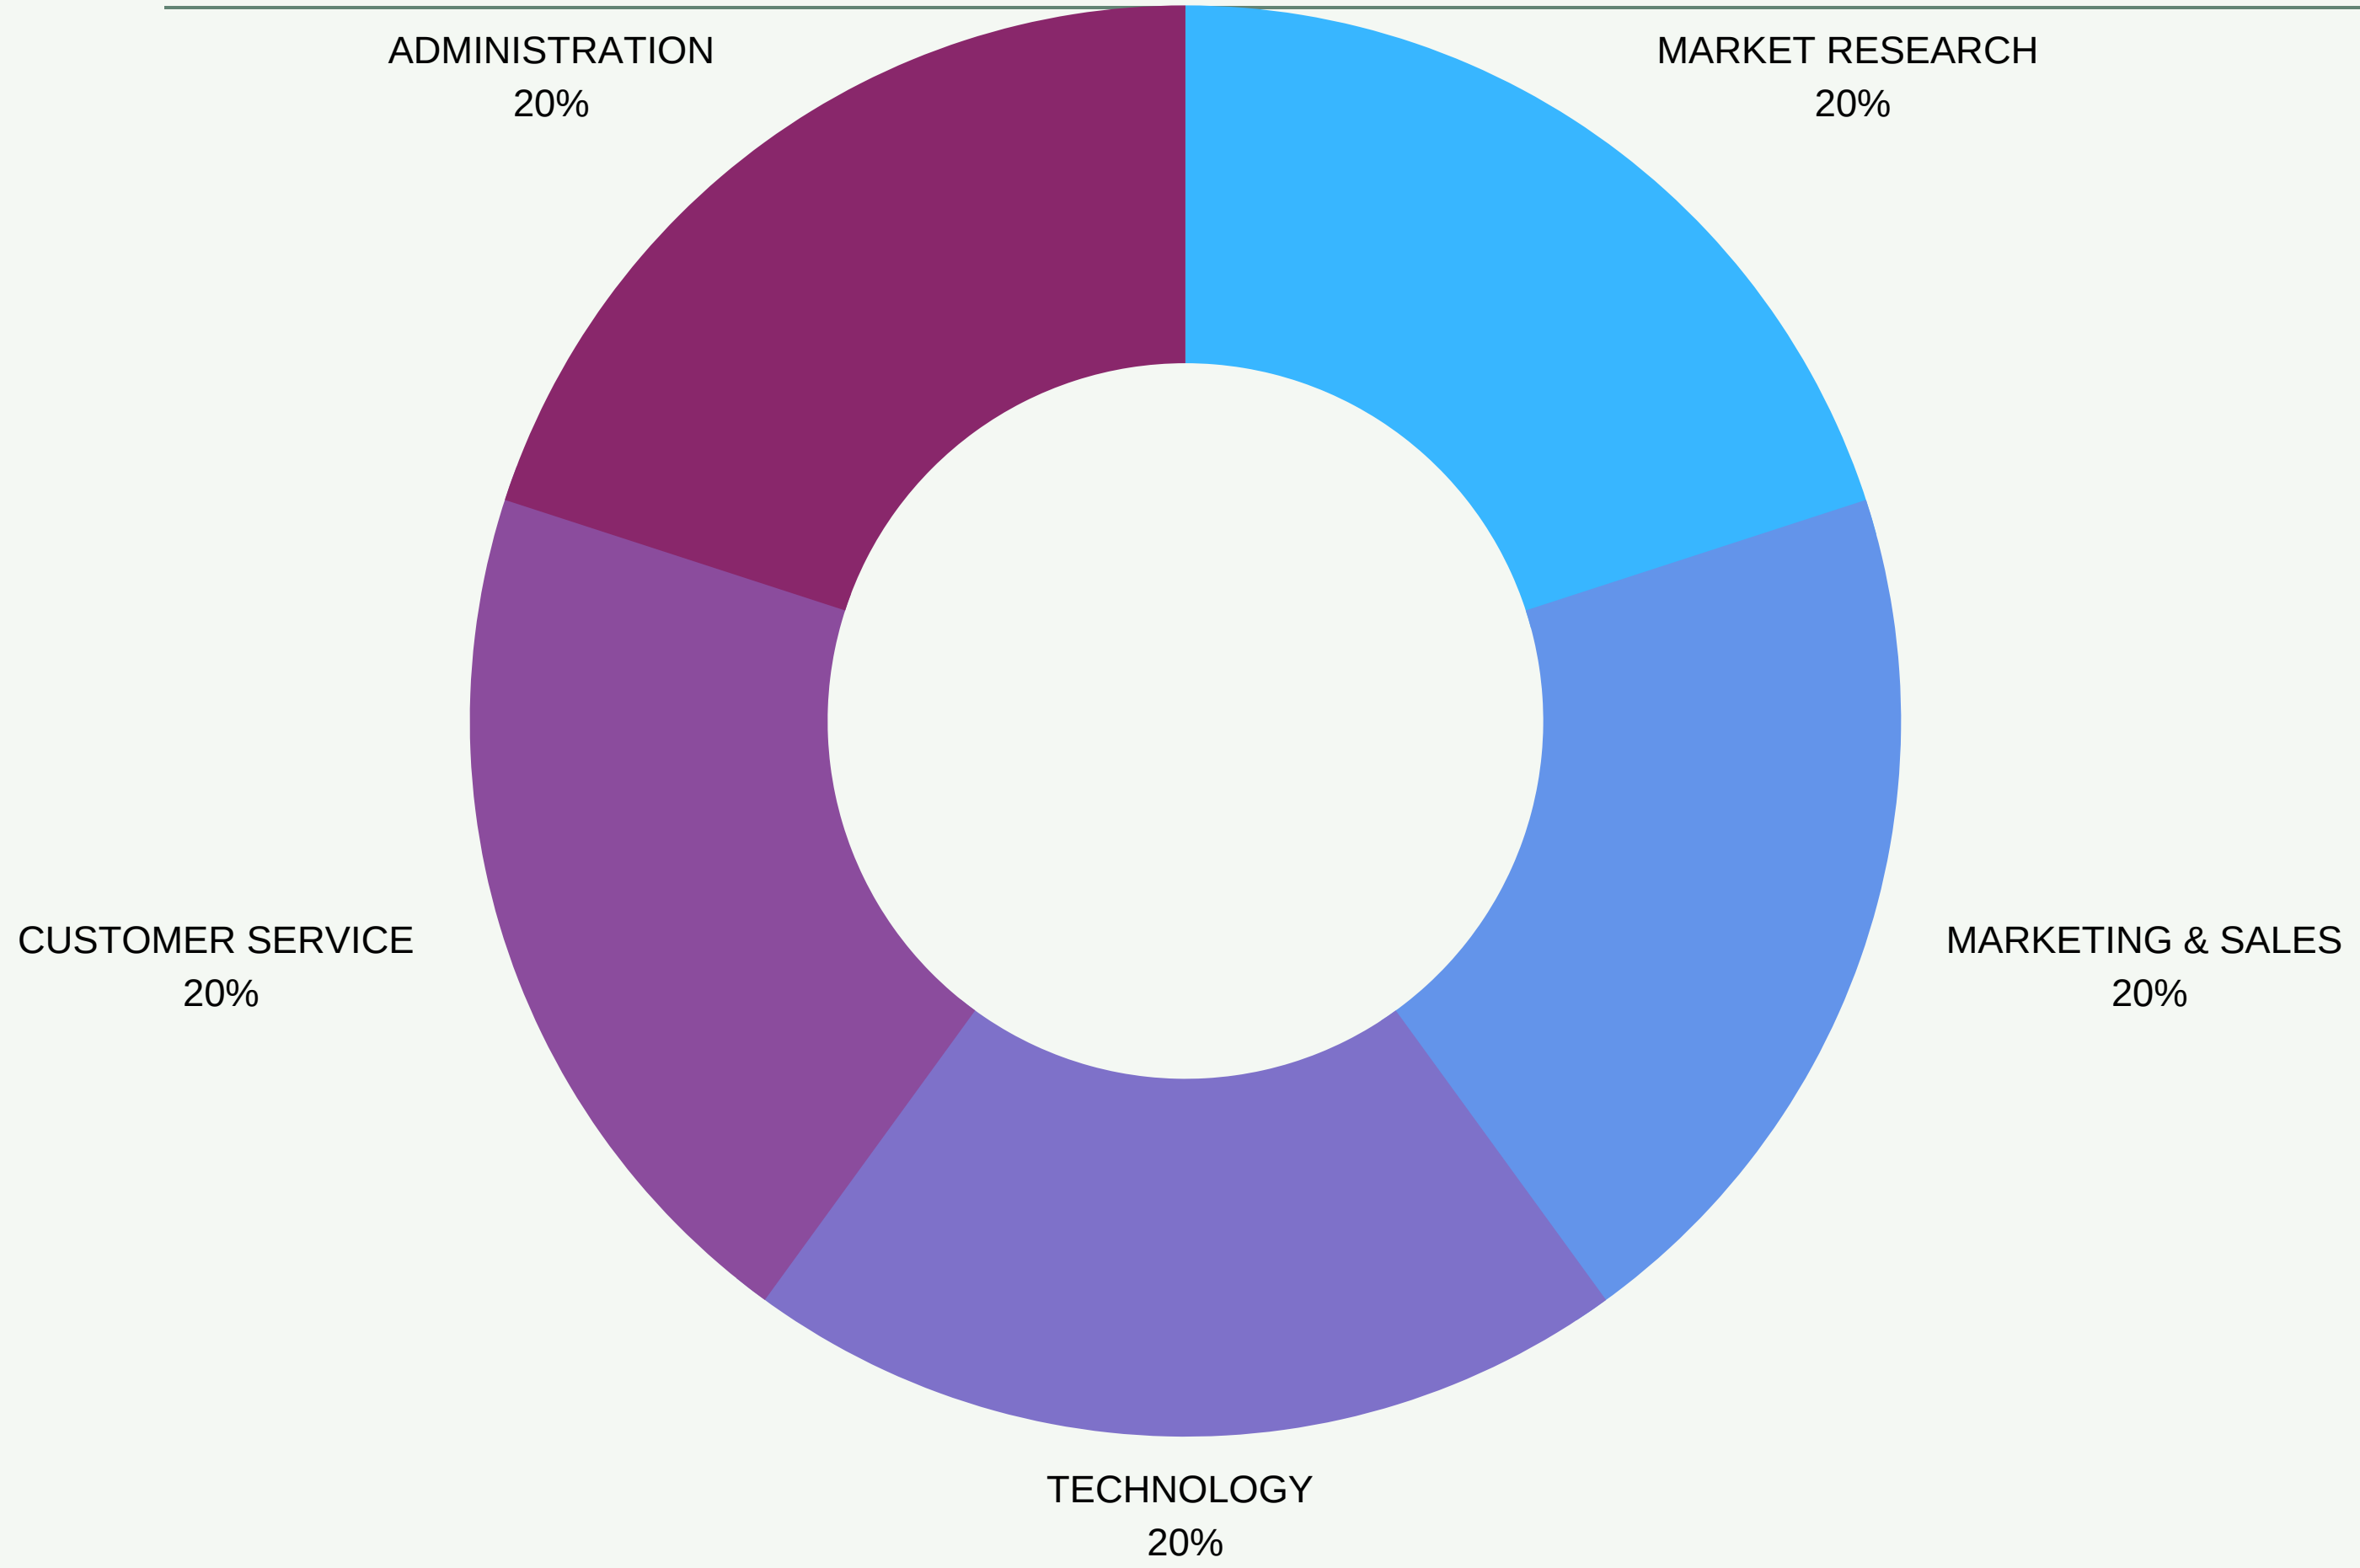

Uptop provides expertise and technology support to prestigious institutes of India and helps them to market and organize E-learning programs.

We also provide assistance by conducting program R&D for our partners, thus enables the development of applicable solutions for partners and students.

Uptop is already partnered with reputed institutes of India like IIM Raipur, IMI Kolkata.

# “ Flow Chart

# Market Research

Executive Education has become largest source of revenue hence competition among IIM's has taken a different shape therefore Market research helps to understand which program to launch, to be ahead in the competition.
